Student Senate Picks Comittees For Coming Year

The Student Senate organized its five standing committees for next year at its second meeting Monday night.

Committees and their members are rushing, John Driscoll, chairman; Hal Bruck, Dud Hawkes, Tim Scholl and John Plant; calendar, Phil Hooper, chairman; John Caldwell and Dick Alofs; initiation week, Bob Miller, chairman; Jerry Walsh, Joe Ingegno, Don Spencer and Gray Akers; budget, Rick Hatch, chairman; Dave Burner and Paul Goetz; and elections, Bruck, chairman; Ran Miner and a Squires representative not yet appointed.

Senate Secretary Bob Miller and next year's freshman class president will take charge of the Tuesday assembly announcements.

Following the committee appointments, Don Seyba, chairman of the Student Curriculum Committee, presented for approval a list of suggested members for next year's Curriculum Committee.

Seyba, naming new members to the committee in place of former members who are still eligible, said that Bob Miller, Howie Rosen, Barry Gerson and Rod Lankler had not been active enough during the last year to warrant reappointment.

Seyba said that the committee needed members who have the time and the interest and who have at least an 80 average. After a lengthy discussion, the Senate decided by an 8 to 6 vote to delay final vote on the committee until the next meeting.

Al Shaler, chairman of he Student Admissions Committee, recommended Hack Rhett as chairman for next year, and his recommendation was ap-

(Continued on page 2)

College Janitors To Guard Dorms For Houseparty

College janitors will keep watch duty on all college dormitories this weekend during the evnings, the Dean's office announced yesterday.

Despite student speculation that the janitors would be used to prevent women from entering the dorms, the Dean's office said they were being posted to prevent minor damage to the buildings that has occurred over past party weekends.

The janitors are expected to be on duty until four o'clock each morning.

Pi Delt Chooses Eight Journalists

At a recent meeting of the Hamilton chapter of Pi Delta Epsilon, the national honorary journalistic fraternity, eight men were elected to membership. Earle Schemerhorn, president of the chapter, annonuced the elections Tuesday.

Three seniors were elected. They are Thomas W. Bleezarde, chairman of the Press Board; John Moran, editor of the Continental; and Joseph Palazzo, former circulation manager for the Publications Board.

Junior electees are Stephen Hoffman, editor of the Spectator; Haskell Rhett, incoming editor of the Hamiltonian; Richard Stevens, incoming Continental editor; Gil Fuld, business manager for the Publications Board; and Dave McMillan, associate editor of the Spectator.

Tom Benson, Al Lord, Gray Akers and Jamie McClintock attack Tim Colt, suspected of being a German spy in the prison barracks, in the Charlatans' rehearsal of "Stalag 17" Monday night.

Reviewers Praise Directing, Acting in Play Performance

by Tom Kunichika and Dick Hall

Ticket holders for this evening's performance of "Stalag 17" will undoubtedly enjoy a fine evening in Commons at the Charlatans' spring production. Though it took them quite some time and with several false starts to present a spring production, the Charlatans finally produced a play worthy of applause.

As good as "Stalag 17" is for a party weekend, its script is not a very strong one. The general quality of the acting and directing, however, makes up for any weaknesses in the script.

Walt Smyth, the director, should be complimented on his fine job. Action was usually good and especially convincing for the shows of violence among the prisoners. Blocking was good, though a speaker was occasionally obscured for a brief moment.

We are only sorry that we cannot give proper credit to the set designer, for no credit is given him in the program. The set was excellent. The grim austerity of a prison barracks was well reproduced.

With exception of the first scene of the second act, the production was usually quite convincing. The actors were hindered in this scene by a poor script, and part of the scene went slowly. The lines were neither convincingly nor well done. Fortunately, the remainder of the play returned to the quality of the first act.

Tim Colt as Sefton, and Don von Liebermann as Stosh, both deserve appreciation for the best acting of the performance. Colt, as the resentful and unpopular Boston rebel, was coarse and antagonizing. His portrayal of a person always deprived of "good" things and well versed in calculated self preservation was excellent.

Moreover, Colt's interpretation of Sefton's obvious embarrassment and awkwardness in trying to get the rest of the prisoners to accept him in the second scene of the second act was artfully done.

Von Lieberman, as a crude and ill-educated slob, also acted most convincingly. Stosh is the source of much of the play's humor, and von Liebermann delivered his lines without forcing any of them. His easy naturalness was indeed a fine job of acting.

Unlike Colt, who graduates this June, von Liebermann, who is only a freshman, can be expected to contrib-

(Continued on page 2)

Nesbitt, Blyth Join Studies Committee For Three Years

Profs. Nesbitt and Blyth were elected to the Committee on Studies at Monday's faculty meeting, the Dean said yesterday. The committee is composed of six faculty members Each year two candidates are elected and the Dean who serves ex officio. for three year terms.

The purpose of the Committee, according to Dean Tolles, is to "study and direct the curriculum in its broadest sense and make recommendations for its improvement."

Next year, Tolles said, Hamilton will be studied by a team of educators who will report their findings to the school and to the Middle States Association of Colleges and Secondary Schools of which Hamilton is a member. The purpose of the study will be one of fact-finding for the pending renewal of Hamilton's accreditation.

A policy change adopted by the Association in 1941 now makes it necessary for each institution already accredited to be re-examined every ten years, he said. For this reason Hamilton will be studied in February, 1958.

McMillan Chosen President of SCA

The Student Christian Association elected Dave McMillan president and accepted the entire slate of nominees proposed by the executive committee last Sunday evening.

The group chose Don Spencer as vice-president and chairman of the Program Committee, Lindsley Schepmoes as secretary-treasurer, Chuck Colton as publicity chairman, Tim Dixon as chairman of the Outreach Committee and Joe Leard as chairman of the Fellowship Committee.

This Sunday the SCA will met at 8:30 p.m. to discuss the group's activities for the coming year. Following the regular meeting, the executive committee will determine the freshman recipient or recipients of the Harlan F. Woodfork Scholarship.

Hill Awaits 350 Dates; Royal Gaboon Returns

Over 350 girls will be guests of men on the Hill this weekend for Hamilton's annual Spring Houseparty. The weekend program will feature jazz, drama and sports.

"Stalag 17" will be presented by the Charlatans tonight at 8:30 p.m. in Commons. The play, directed by Walter Smyth, tells of American prisoners in a German POW camp during World War II.

At the Charlatans production copies of the Royal Gaboon will be on sale for 25 cents a copy. Later Friday night and Saturday morning Gaboon solicitors will visit fraternity houses and dormitories.

This is the first issue of the Hamilton humor magazine since publication was discontinued in 1949.

The Dixieland Ramblers will play at the all-college jazz concert on the Alpha Delt porch tomorrow morning. The concert is from 10 a.m. to 12 noon.

Saturday afternoon at 2 p.m. Hamilton meets Ithaca at track and RPI on the golf course, and at 2:30 there will be a lacrosse match with Cortland.

The following fraternities have announced that they will have closed parties: Alpha Delta Phi, Saturday night from 9 p.m. until 1 a.m.; Chi Psi, Saturday night from 9 to 12 p.m.; Delta Upsilon, from nine until one Saturday night;

Emerson Literary Society, from 9 to 12 p.m. Saturday; Lambda Chi Alpha, Saturday evening from 5:30 p.m. on; Psi Upsilon, Friday evening (couples only), Saturday from 4 p.m. until 1 a.m.; and Delta Phi, Saturday evening from 9 p.m. on.

If the weather is inclement on Sunday morning, Theta Delta Chi plans to be closed; if the weather is fair, their house will hold an open party.

Marsh Announces McKinney Judges; Contest Monday

Prof Willard Marsh announced that Mrs. G. Harvey Cameron, Prof. Charles Godcharles, Prof. Wallace Johnson, Dean Winton Tolles, and Prof. Mox Weber will judge the McKinney Prize Speaking Contest.

The competition will be held Monday May 13 at 8 p.m. in the lounge of Alpha Delta Phi Hall.

Prof. Robert Carson announced the approved sophomore speech topics Wednesday. Bruce Geer will speak on "Conscience and the Undergraduate," Fred Goodrich will discuss "Why the Teacher Shortage?" Phil Mead's topic is "Lux, Veritas and Jazz," and Richard Hinman will speak on the need for better foreign language preparation.

Prof. David Lewis, coach of the freshman contestants, said that his group, composed of Richard Blinkoff, Dennis Howie, Robert Tessler and Preston Zucker will give memorized selections from modern drama.

The junior contestants, who will speak impromptu on a topic given them five minutes before they speak, are Paul Goetz, Mal McClinchie, Art Melius and John Stanton.

Psi Upsilon Wins Interfraternity Sing; TKE, Chi Psi Take 2nd, 3rd Places

Psi Upsilon won the Berrian Shute Interfraternity Sing in the Chapel Tuesday evening. TKE took second place honors and Chi Psi placed third. Fraternities not competing in the sing were DKE, LXA, Sigma Phi and ELS.

Psi U, led by Tim Kunichika, offered a Latin motet by Palestrina and "High Barbary."

TKE entered fewer singers than either the first or third place winners. They featured Bill Smith, tenor soloist, in J. S. Bach's Chorale "Oh Savior Sweet." Al Shaler then directed the seventeenth century, selection, "Which is the Properest Day to Drink?"

Third ranking Chi Psi, led by Gordie Bournes, sang "My Shepherd Will Supply My Need," followed by "Aura Lee."

The judges for the sing were Profs. Carson, Wertimer and Piano.

Decisions were based on the percentage of house members present, choice of music and quality of the performance, including tone quality, blend of parts pitch, dynamics and enunciation.

Students To Elect 4 Court Members

Honor Court elections will be held at the regular Chapel assembly, Paul McGiffin, chairman of the court, said Tuesday.

One junior, two sophomores and one freshman will be elected to next year's court. As specified in the Honor System Constitution, the court will elect one of its present junior class members to serve as chairman for the following year, McGiffin said.

Zoologist To Speak To Biology Club

Dr. Hiram Evans of the University of Syracuse zoology department will speak at the Biology Club meeting Thursday night, Griff Bates, president of the club, said Tuesday. Evans will speak on "The Effect of Cortisone on the Developing Embryo."

The meeting will be held at Dr. Philip Rogers' house at 6:30 p.m. Following dinner Dr. Evans will speak, and then elections will be held for next year's officers.

Pete O'Hara Wins Study Scholarship

Peter O'Hara has won one of the nine Chi Psi Educational Trust Fund Scholarships it was announced Wednesday May 1.

The $1200 scholarships are given each year to senior members of Chi Psi Fraternity planning to attend graduate school.

The scholarships may be used for graduate study in any institution with selection of the winners based on scholastic achievement and extra-curricular activities.

Tolles Requests Delta Phi To Move Sleeping Quarters

A request by the College administration has resulted in a change in sleeping quarters for members of Delta Phi.

The Dean's office asked the fraternity Apr. 29 to move its sleeping quarters from the third floor of the house to the second and to use the third floor for study room only.

Dean Tolles said Wednesday that the third story had only one fire exit and that the administration considered this a fire hazard.

Tolles denied that the move was part of any concerted effort by the administration to enforce compliance with the new multiple residence fire laws, although he said he thought the newly formed Fraternity Alumni Council would probably look into such enforcement.

Stalag 17 . . .

ute his talents in future productions.

We were somewhat disappointed in the performances by Art Romans (Hoffy) and Tim Ahlstrom (Price). Their performances did not live up to expectation of their earlier portrayals in the "Duchess of Malfi." Romans did not seem as level-headed as Hoffy should have been. We expected a stronger person for a barracks leader.

Ahlstrom Obvious

Ahlstrom was not altogether convincing as the well-educated and sophisticated villain of the play. When he was trying to make it obvious that he was a villain, he made it too obvious. Ahlstrom's movements seemed contrived. We wished he had been a little more casual in his actions.

Both Ahlstrom and Romans offered more convincing portrayals in the last act.

Griff Bates gave a satisfactory, if sometimes light performance as Harry Sharpiro, and Gray Akers provided many hearty laughs in his role as Herb Gordon.

Al Kempler as Corporal Schultz was good, though his accent was somewhat unusual. Norm Frederiksen, the German Captain, was outstanding in his supporting role. Though he spoke only German, he gave a convincing performance of a ruthless German SS officer.

Rizzo Improves Scene

Frank Rizzo, as the Geneva Man, played well the part of a sympathetic enforcer of the rules of the Geneva Conference. His entrance in the second act did much to improve the first scene.

John Weatherley, as Horney, did well in a difficult minor role. Though he had no lines, he successfully imparted a feeling of distaste for German cruelty as a pathetic mute.

Art Skidmore as Marko, Al Lord as Reed, and Tom Benson as Dunbar each gave fine performances. Jamie McClintock as Duke, Tom Putnam as McCarthy, and Rey Riemer as an SS guard all gave more than adequate support.

Looking Ahead —

NEXT WEEK the newly-formed Student Senate will draw up an agenda of campus problems to solve beginning next fall. Listed below are some challenges we feel the Senate should take on, although it is by no means a definitive list. It should:

1. Decide on the mechanics of how deferred rushing will be handled.
2. Consider changes in the social rules, perhaps trying to work out a more realistic rule for allowing women in dormitories.
3. Keep Hell Week activities within very strictly enforced rules. If the students are not willing to put even more stringent limits on such activities, the Administration may step in and do the job its own way.
4. Limit the number of extra-curricular activities one person can take on. Hamilton seems perennially plagued by the campus demigod who captures more offices than he can handle. The Senate's all too tacit rubber stamping last Monday of the Hamiltonian editor as head of the Student Admissions Committee seemed to us an ill-advised move.
5. Consider instituting 100 per cent opportunity for fraternity membership. An expected college enrollment of 715 in 1959 will almost make this a necessity anyway.

Then there is always the parking "problem" . . .

Almost as important as any specific measure is for the Senate to think ahead to how college's expansion will effect student activities. If the Senate continues to run itself as efficiently as it has so far, it will at least have overcome the procedural problems that have hurt is predecessors.

Princeton Chaplain To Preach Sunday

The Rev. Mr. Ernest Gordon, dean of Princeton University Chapel, will speak on "The Love of God" this Sunday, Dean Colin F. Miller said Monday.

A native of Greenock, Scotland, Gordon was sent to Princeton in 1954 to supervise the Westminster Foundation. The foundation works with undergraduates in cooperation with the university and local churches. Previously Gordon had preached for a year on Long Island.

Senate . . .

proved.

Shaler, confessing that he knew nothing about the necessary Senate approval of Admissions Committee appointments, asked if he, Rhett, and the outgoing Committee might make a list of suggested Committee members for next year and might present the list for approval to the Senate at its next meeting. After Shaler termed "absolutely impossible" a suggestion by Don Spencer that the Senate alone appoint the new Admissions Committee, the Senate approved Shaler's proposal.

Melius then read the answers to a number of questions he had asked Dean Tolles on "what the Senate should do and be." Melius said that Tolles hoped the Senate would take on "constructive and positive jobs," and would be propelled by its own momentum. Tolles said the Senate should not worry about administrative censorship, Melius added.

Melius recommended that the next meeting be a "melting pot" for ideas which the members of the Senate may have as to areas that might need looking into by the Senate.

Also during the meeting the Senate approved a formal transfer of the authority of former Student Council and Interfraternity Council to the Student Senate.

John Driscoll, Jack Caldwell, Dick Alofs and Don Spector were absent from the meeting.

Merkel Wins Vote For Council Post

The student body elected Dave Merkel as junior representative to the Athletic Council in an election held in Chapel Tuesday. Others nominated for the position were Mike Slattery, Scott Finegan, Don Spencer and Bill Hoyt.

A Teke, Merkel has played two years of both hockey and lacrosse. He will join Hal Bruck, the other student representative on the council.

The council meets two or three times a year to discuss scheduling and practice fields and in general attempts to solve any problem which faces the Hamilton athletic program.

Phi Beta Kappa To Induct Seniors; Coolidge To Speak

The induction of the members recently elected to the Hamilton chapter of Phi Beta Kappa, the national honorary scholastic society, will take place in the Baker Memorial Room on Tuesday May 14 at 8 p.m.

The electees to be inducted include Philip W. Abell, Hurd Baruch, Burton I. Benjamin, Stuart L. Billig, James F. Bromley, David L. Chute, David L. Eaker, Jason H. Eveleth, Michael P. Kaplan, Joshua N. Koplovitz, John M. Moran, Martin S. Nadel, Laurence A. Savett and Gary L. Tischler.

After the induction ceremony, Dr. Edwin C. Coolidge will deliver a paper on the roll which science courses should play in the education of a student at a liberal arts college.

Prof. Coolidge said Tuesday that he will describe certain changes which have been made in the laboratory set up of chemistry courses here at Hamilton. He said that he will also discuss proposed alterations which he feels will increase a student's appreciation of science as a liberal arts course.

Following Dr. Coolidge's address, a reception will be held for the inductees at the home of Prof. and Mrs. Blyth.

Trackmen Take Oswego Meet, 89-42; Pete Eld, Relay Team Set Records

The Continental trackmen kept up their winning ways Wednesday with a one-sided 89 - 42 victory over Oswego.

Two new records were set in the meet. Pete Eld shaved one-tenth of a second from the 120 yard high hurdles record of 15.7 held by John Ibach, '55.

The mile relay team of Vincent, Harkrader, Jordan and Pete Eld covered the mile distance in 3:32.0. This is 1.4 seconds better than the old record set last year by Durham, Ingraham, Bovarsson and Eld.

Hamilton swept 12 out of 15 first places, losing only the mile and the discus. Two events, the high jump and the pole vault, ended in three-way ties for first place.

In the high jump Nuccio, Stevens and Ostrom, all of Hamilton, cleared 5 ft. 10 in. Bonbright of Hamilton and Mcquat and Latham of Oswego each tied at 9 ft. 6 in. in the pole vault.

Double winners for the Continentals were Pete Eld in the 120 high hurdles and 220 low hurdles and Jim White, who took first in the shot with a throw of 41 ft. ¾ inch and in the broad jump with a leap of 21 ft., 5½ inches. Hal Bruck won the 100 and the 220.

Last Saturday Hamilton made its season's record 2 - 1 by defeating Cortland 77 - 54, after losing its opener to Union.

The Continentals took 9 first places and tied for first in the pole vault. Bonbright and Beaudry both cleared 9 ft. in the event to divide the points. In the high jump Nuccio and Stevens, both of Hamilton, tied for first by clearing 5 ft., 11¾ inches.

Hamilton swept two events. In the 440 Jordan, Vincent and Harkrader finished in that order. The winning time was :52.7. McGiffin won the javelin with a heave of 171 feet, with McClinchie and Moore finishing second and third.

Bruck, Pete Eld and McGiffin won two firsts each. McGiffin took first in the discus with a throw of 121 ft., ½ in., and a first in the javelin.

Tomorrow the Blue will put its 2 - 1 record on the line as they play host to Ithaca in a duel meet. Starting time is 2 p.m.

Ball Team Beats Rochester After Splitting with Hobart

Action at the plate shown above during the Hamilton-RPI Contest played here May 1.

The Hamilton College baseball team, after splitting a doubleheader with Hobart last Saturday, scored two runs in the eighth inning Wednesday to give the Blue a 7 - 5 victory over Rochester.

Riding out a stormy first inning which saw Rochester tally all of their five runs, the Hill team finally ousted Rochester pitcher Tenney Spafford in the sixth when a two out rally aided by a Rochester error tied the score. Greg Batt's well coached team then proved the value of the bunt by combining three in a row for the winning run.

Starter Dave Warner left the mound with arm trouble in the first after filling the bases on two walks and an error on a bunt. Freshman hurler Bob Kliphon forced the next two batters to pop out to Captain Bruno Colapietro at second but then yielded four consecutive hits. All five Rochester runs scored in the ensuing fracas.

Settling down, Kliphon retired the next batter and allowed only 3 scattered hits in the last 8 frames to nail down his second straight win. Kliphon helped his own cause in the 2-run Hamilton fourth by blasting a long triple to right, scoring Colapietro.

A single by Eric Hasseltine in the third followed by Mike Slattery's triple to right center gave the Continentals run number one.

In the fourth, Colapietro reached first on one of Rochester's four errors and scooted home on Kliphon's triple. Hasseltine then singled Kliphon home to make the score 5-3, Rochester.

A lone Hamilton tally in the 5th resulted when Olson reached first on a fielder's choice, advanced to second on Roy Ashton's bobble of Colapietro's grounder, and scored when Beebe singled down the first base line.

Rick Purple singled Joe Nicolette home in the sixth to chase Spafford from the mound. Russ West replaced him and fanned Olson to end the inning.

In the eighth, fastballer West ran into serious troble when first baseman Bob Milne misplayed Hasseltine's dribbler down the first base line. Slattery pushed a bunt past the charging third baseman and Nicolette sacrificed both men to second and

Colgate Crushes Blue Lacrosse Team

A decidedly outclassed Continental lacrosse team suffered its worst defeat of the season last Saturday at the hands of Colgate, 14 - 1. The game at Colgate saw the big Maroon completely overwhelm the Blue, scoring six goals in the third period alone to roll to an easy victory.

The loss was the second of the season for the Continentals.

Hamilton's only goal came at the 8:26 mark of the third period, when Carl Hansen scored unassisted to keep the Blue from being shut out. The score at the time was 7 - 0.

It took the home 10 minutes to score the first goal of the game. Fred Schult of the Maroon turned the trick unassisted.

Less than a minute later, Art Wahl scored the second goal, and from the first period on the Colgate offense clicked steadily. Two more goals in the second period gave the home side a 4 - 0 lead at the halfway mark.

Colgate was in control from the start, playing a rough aggressive game.

In the third period five different Maroon men registered six more goals.

Colgate added four more goals in the fourth quarter to romp home to victory 14 - 1.

Tomorrow Hamilton will play host to Cortland in the first of two games against the Teachers this season.

The second game will be played at Cortland on May 25 and will close out the Buff and Blue season.

Hamilton	0	0	1	0	—	1

World Arsenal Lethal —

Neuman Raps Nuclear Tests

A plea for nations to stop nuclear tests concluded an address last Friday in Chapel by Dr. William Neuman before the New York State section of the Physical Society.

Neuman said that the fallout of Strontium 90 from H-bomb tests planned by Britain this summer will doom ten thousand people to eventual death from leukemia and related diseases.

Strontium is a radioactive form produced in fairly large quantities by A- or H-bomb fission. Carried into the stratosphere by the explosions, it falls out over a long period of time, covering the earth with a uniform layer.

Neuman added that the amount of strontium fallout now present on the earth is greater than the amount predicted a few years ago for 1970. If tests continue as planned, he said, the danger level for children at the end of the summer will be 2/3 of the maximum permissible level.

Neuman said that additional bombs with a total explosive capacity of 180 megatons of T.N.T. could be tested before the general public level of Strontium 90 is reached. (An H-bomb has a power of 2½ megatons).

Since the United States' present arsenal of nuclear weapons represents a total of 10,000 megatons, less than one-fiftieth of the arsenal could safely be used in a war, Neuman added.

Golfers To Play RPI after Two Wins

Led by Captain Ward Wettlaufer, the College golf team will take on the RPI Engineers tomorrow at 2 p.m. on the Hamilton links.

RPI will come here with a strong team, according to Coach Don Jones, and the match should be one of the best of the year.

Last Tuesday the Hamilton golfers traveled to Cortland, taking their fourth match of the year by a 5½ to 3½ margin.

A week ago today, Hamilton defeated Hartwick 6-3 in a match played in Oneonta. Wettlaufer was victorious in his match and teamed with number two man Bob Mongeau to take the best ball of his foursome.

Eades lost his match against Hartwick's number three man while McFarland halved his match.

THE COLLEGE BARBER SHOP
"We Need Your Head In Our Business"

Baseball . . .

third.

Catcher Don DiGiulian laid down the first pitch on a squeeze play and Olson scored. Purple walked and Slattery slid home head first when the fourth ball got away from Rochester catcher Ed Przybycien.

Last Saturday Hamilton dropped the opening game of a double-header to Hobart, 9-2. Starting pitcher Ben Werner gave up only seven hits, but the Hobart runs.

Hobart tallied in the third inning and salted the game away with five runs in a sloppy fourth which saw two Hamilton miscues. Hobart finished the rout with two runs scored on one hit, an error and a wild pitch in the sixth frame of the seven-inning game.

Hamilton scored once in the fourth when Nicolette singled, took second on a wild pitch, and scored on Scott Finegan's single. The last Continental run crossed the plate in the seventh on a single, a walk and a double steal.

In the second game, Kliphon handcuffed the Garnishmen with three scattered hits and one run to chalk up his first victory of the year.

Hobart started things rolling when, with two out in the first, Miller reached second on a wild throw to first. Clean-up hitter Weber singled him home.

Hamilton evened the score in the third on the base stealing of Captain Bruno Colapietro. Colapietro reached second on a Hobart error, stole third and then home when a delayed steal by Olson gave him the opportunity.

Hamilton went ahead in the fourth inning of a tight ball game. One Hobart error and singles by Don DiGiulian and Mike Slattery did the trick.

A double play in the sixth, Kliphon to Colapietro to Finegan, nipped another Hobart rally in the bud.

This afternoon, Hamilton plays host to Hobart in the third and final contest of the year between the two rivals.

RPI Breaks Tennis Winning Streak

Hamilton's longest current winning streak ended at 20 on May 4 when the tennis team lost 7-2 to a superior RPI team at Troy. The two Hamilton victories were Dirvin in singles and Roberts and Dirvin in doubles, with RPI sweeping the remaining seven matches.

Wednesday afternoon, May 8, the tennis team swamped Utica college 9-0 at home, without the loss of more than two games in any one set. Thus the team will bring a season's record of four wins and one loss into Friday's match with Rochester.
